Villa Padel Tournament

Padel Tournament Advert

Villa Padel Tournament Format

- The scoring format is the same as in tennis.
- If the score is 40-all, teams play a "Golden Point." There are no advantage or disadvantage points. This means that the team that wins the next point wins the game.
- The first team to win 6 games wins the set.
- If the score is 5-all, a team must win 7-5.
- If the score is 6-all, the winner is determined by a "tiebreaker." The first team to reach 7 points and lead by 2 points wins the match.
- The winner of the first point will serve first.
- If there is any doubt about whether a ball is in or out, the point is replayed.
